JUNE 2011

PRESIDENT'S LETTER

Dear Friends and Neighbors,

I hope that you were in Neskowin for Memorial Day Weekend because it was all kinds of fun. As a full time resident, I enjoy the start of the Summer Season and all the people it brings. One of my visitors noticed that folks are so friendly in Neskowin. When you walk down the street you get a "Hi" from everyone.

Luckily we had a nice day for all of the NCA's Memorial Weekend outdoor activities. Thanks to all of the volunteers and participants. We all know who you are and you are appreciated!

Apparently, there were 3 streakers running around Neskowin on the Sunday night of Memorial Weekend. They were not part of the NCA sponsored activities. Smile!

We will be doing all of the usual Fourth of July activities. Review the information in this newsletter to keep you on track. The activities are scheduled for Monday, July 4th. Remember that it costs \$6,000 to sponsor the Fireworks Display, and as I write this letter, we only have \$3,165 in fireworks donation. Do consider donating for the fireworks!

Here's to fun and sunny summer days in Neskowin!!

Best regards,
Christi Clark
NCA President

FOURTH OF JULY ACTIVITIES

Monday, July 4

Nesko Women's Club Annual Book & Bake Sale
8AM until 12PM on the Neskowin Marketplace lawn: Lots of books, puzzles, CDs, and videos for all ages. Look for the "Children's Booth" offering face painting. Scrumptious homemade goodies to include pies, cakes, cookies, & candy. An Asian glass float raffle.

Walk-About Parade

9:30AM: Start lining up for the parade in the Proposal Rock Inn's parking lot.
10AM: Parade starts and winds through the village streets.

Flag Raising & Sing-A-Long

About 11AM: Immediately following the parade will be our Flag Raising & Sing-A-Long. Speeches, singing, and prizes!

Kites & Castles on the Beach

2-4PM: The McDonald family will be running the Kites & Castles for the first time and they are excited. This event will be held on the beach near the McMinnville Avenue access. Be sure to check-in to enter your kite or castle.

Fireworks Display

Fireworks will be on Monday, July 4th. As soon as it is dark the festivities will begin. We are planning for the display to be at Proposal Rock, as long as the tides cooperate. Bring your lawn chairs and enjoy the show.

Also, remember to stay behind the yellow caution tape. This is the protection buffer the fireworks folks need for your safety.

“

*July 4th
Festivities*

”

Tuesday, July 5th

Beach Clean-Up

Thanks, in advance, to all the volunteers who will be taking part in the 5th of July clean-up. Together we will make our beach and village streets sparkle! If you did not get a SOLV bag and plastic gloves over Memorial Day, you can pick up supplies (and an invisible badge of honor) at Kacey Joyce's house, 48735 Hawk Drive, or call her at 503-392-3003 and she will deliver them to you.

Happy 4th everyone!

NESKOWIN PARADE

By Debra Sweeney

The dilemma for many of the families of Neskowin each year is whether to participate in the parade by donning an outlandish costume, or to sit on the sidelines and enjoy the show.

Early morning on the Fourth of July and all is quiet in sleepy Neskowin. A few early risers make their way to the store for their morning paper and cup of coffee. It isn't until around 9AM that you begin to notice a difference in the village. At first you're not quite sure what it might be ... maybe a few more people about ... but then a small girl on a bike speeds past you trailing streamers of red, white, and blue. Behind you there is the rattle of a wagon and turning you spy not a wagon but a sea dragon with a sequined mermaid astride. Everyone seems headed in the same direction, the parking lot in front of Proposal Rock Inn.

It is there you discover a wild cacophony of sights and sounds, all manner of pirates, sea creatures, and historical figures. Vehicles of every size and shape are beginning to serpentine their way through the lot: tricycles ridden by super heroes, antique cars with bikinied babes, scooters steered by pirates, and bicycles and cars decorated with flags, banners, and ribbons. There are babies with painted cheeks in festooned strollers and a variety of dogs in far-fetched costumes, alongside oldsters in spandex and capes. Even easily embarrassed teens join in, looking cool on their carefully crafted floats with music blaring.

In one short hour the deserted parking lot has filled to overflowing like a crowd awaiting the grand opening of a new store. As everyone

jostles into line, the fire truck arrives and backs into place. With a long blow of the horn the Neskowin Fourth of July Parade is on its way!

Where will you find yourself this year? Perched in your favorite lawn chair enjoying the show and scrambling for candy? Or will this be the year you join in the fun and find a way for your family to celebrate a little piece of Americana, Neskowin style?

GET OFFICIAL ALERT NOTIFICATIONS BY E-MAIL AND TEXT MESSAGE

By Gordon McCraw (Director, Tillamook County Emergency Management)

Sign up to receive Reverse 911 type Alerts sent as text messages to your cell phone!

Tillamook County residents can now utilize a new service to access important, valuable community information when they need it, using the latest technology.

Tillamook County Emergency Management will create and publish messages through the Nixle Community Information Service. Nixle will then deliver this information to you instantly via text, email and/or web message. Notifications can also be accessed online at Nixle's web site at www.nixle.com.

Example messages may include Weather Watches and Warning, Tsunami Alerts, and Warnings, important road closure information as well as other relevant safety and community information.

The service is secure, reliable and easy for our group to use. YOU decide what information you want and whether you want it sent to your cell phone, email, or just simply over the web.

Please register now at the company's main web site: www.nixle.com. There you can also access their Frequently Asked Questions.

We also ask you to share this information with 5 of your neighbors or friends in the community, encouraging them to register.

New communication forms continue to evolve and we believe this service will allow us to keep you informed in the most convenient, reliable way possible.

ONE MORE NOTE ABOUT COASTAL DISASTERS & EVACUATIONS

By Joanie Blum, Red Cross Volunteer for Lincoln and Tillamook Counties

Tired of hearing all this 'dry' information about emergency preparedness for tsunamis and earthquakes? But ... most of you live somewhere else and come to Neskowin for rest and relaxation, right?

Well, no one wants to wonder too long and hard about these troubles, but if you live or vacation here at the beach, you need to have some basic knowledge and preparedness for responding to these probabilities if you, your friends, or your renters are here at the coast when a disaster alarm is sounded.

As a Red Cross disaster assistance team member, I've lived through 3 hurricanes on the other side of the country and attended a national disaster in the Gulf Coast just a few years ago, so I can attest that most of us are not ready for the disasters that are forecast for this neck of the woods.

The Pacific Ocean has no Gulf Stream or reef to dilute a storm's power as it heads toward our shores, and our high wall of riprap will not break a tsunami wave such as the one that was recently predicted by our Tillamook and Siletz offshore buoys from the major quake in Japan.

So ... why not have a basic preparedness kit ready in your house on the off-chance that you are here when the big one hits? Below is the official Red Cross listing for a kit to assemble in the event that you must evacuate, but if you want to pick up one already assembled from the Red Cross, you can stop by their main coastal office in Newport (308 SW Hwy. 101, 541-265-7182). Or, you can contact me to get the Tillamook number where there is no office, but a hearty contingent who can be of assistance.

Even better, during the month of June, you can order an emergency kit in a backpack directly from the Red Cross (www.oregonredcross.org or www.redcross.org) and get a 10% discount on this and any other home safety item you might want to store in your home. The discount code is CPR2011 for this catalogue available at either one of these websites.

For the 15-20 minutes maximum that you will have to get out of town once an alarm sounds,

having this kit ready to throw in your car (or carry) will be a big relief, as it provides many of the essentials that you'd have to remind yourself to take anyway – leaving just your pets and their food, spare cash (remember, no credit cards or ATM's may be in-use), your Chagall, your 1st edition of "For Whom The Bell Tolls", your favorite leather jacket ... and your spouse! And remember, if you wait long enough for the power to blow and the bridge to be under water, you'll be underwater as well!

At a minimum, have the basic supplies listed below in an easy-to-carry emergency preparedness kit that you can use at home, or take with you in case you must evacuate:

- Water—one gallon per person/per day (3-day supply for evacuation, 2-week supply for home)
- Food—non-perishable, easy-to-prepare items and not too heavy (3-day supply for evacuation and 2-week supply for home)
- Flashlight
- Battery-powered or hand-crank radio (NOAA Weather Radio, if possible)
- Extra batteries
- First aid kit
- Medications (7-day supply) and medical items
- Multi-purpose tool
- Sanitation and personal hygiene items
- Copies of personal documents (medication list and pertinent medical information, proof of address, deed/lease to home, passports, birth certificates, insurance policies)
- Cell phone with chargers
- Emergency contact card (See <http://www.redcross.org/prepare/ECCard.pdf>)
- Extra cash
- Emergency blanket
- Map(s) of the area

Consider the needs of all household members and add supplies to your kit for them. Suggested items to help meet additional needs are:

- Medical supplies (hearing aids with extra batteries, glasses, contact lenses, syringes, walking cane)
- Baby supplies (bottles, formula, baby food, diapers)
- Games and activities for children
- Pet supplies (collar, leash, ID, food, carrier, bowl)
- Two-way radios
- Extra set of car keys and house keys
- Manual can opener

READY SET GO KITS

By Cassie Wieden

“Ready Set Go Kits” is a great resource to purchase or to put together your own emergency preparedness kit. I’m on the advisory committee for the Women’s Small Business Center at Mercy Corp NW and got a chance to meet the young woman who launched this business. She is very well informed and works closely with Red Cross to make sure supplies are up to date. The link to their site: <http://www.readysetgokits.com/>

WATER SAVING TIPS FROM THE NESKOWIN WATER REGIONAL DISTRICT

In spite of our wet Spring, when watering, it’s good to think of savings. Saving water can be as simple as watering more lawn and less road this summer. Or fixing that leaky faucet. You get the idea. Save water and save money too! For some water conservation tips, go to www.wateruseitwisely.com. Enjoy the summer!

GOLF SCRAMBLE TIME!

By Courtney and Adam Crowell

Get ready for another exciting year on the golf course! The annual Neskowin Community Golf Scramble will be held during the weekend of August 13th and 14th.

We’ll be holding the traditional potluck dinner on Friday, August 12th at 6PM at the golf clubhouse with raffle prizes and the famous wall of wine. Please bring a dish to share; beverages will be provided and if you would like to contribute to the wall of wine, bring a \$10 minimum-value bottle of wine as a donation. We are currently accepting wine contributions for the evening – you can drop off your wine donation at the Crowell house at 48065 Breakers Blvd on weekends or bring a bottle to the potluck.

Saturday and Sunday tee times will start at 7:30AM, with a BBQ lunch, prizes, and a raffle following Sunday’s round of golf.

We are also in the process of gathering door prizes for the raffle on both Friday night and Sunday afternoon. If you would like to help out, donate a prize for the raffle, or sponsor a hole, please contact Courtney Crowell at Warner.Courtney@gmail.com or 541-968-1340. Anything goes in the way of door prizes – gift certificates, merchandise, and local artist productions.

Get your team of 4 ready for this year’s scramble and be prepared to have some fun! Please see the sign-up sheet in this edition of the NCA newsletter and on the website. Reminder – 100% of the proceeds from the golf scramble benefit the Neskowin Community Association and are used to help make the community we all love even better!

NESKOWIN VALLEY SCHOOL

By Julie Fiedler

As I write this, our 7th and 8th grade students are preparing for their annual mentor presentations. They will show the school community what they have learned from research that included several meetings with professionals in their fields of choice. One student spent time with a policewoman. Another worked alongside a Portland graphic artist. One went to a game with a newspaper sports editor and wrote his own story to compare with that of his mentor. Students investigated a cosmetologist's salon, a veterinarian's office and a musician's recording studio. One student went to court twice with his attorney mentor. When a case was dismissed, he was invited into a judge's chambers to ask questions and was offered a two-week summer internship by the judge. Their talks and presentations are always eye-opening and include research they have done on the scope of work, financial picture and educational requirements they can expect if they pursue their chosen profession.

For the 8th graders in the group, this marks one of their last unit projects as NVS students. All three graduates will go on to different high schools. One will attend Nestucca Junior/Senior High School, another Taft High School and another the Sheridan Japanese Charter School. Graduation is a bittersweet affair here, with pride, joy and sorrow in equal parts, with all our current students and many of their parents joining in to wish our graduates well and each graduate addressing the crowd.

By the time you read this, we will have enjoyed a June 11 spring dinner at NVS, an enjoyable evening with presentations by students and staff, a silent auction with artwork, theater tickets and wine, a quilt raffle and a fresh salmon dinner catered by a few of our very talented parents. I hope to see many of you in attendance next year, when we will begin celebrating the school's 40th anniversary!

Our one-week summer day camps begin in earnest on June 27 for children age 3-16 and go through the middle of August. The brochure showing the camp schedule is available on our website, www.neskowinvalleyschool.com. We would love to keep the children you know educated and entertained for the week with classes on food, gnomes, ancient Greece, rock n' roll, surfing, drama and art.

And you don't have to be a kid to come to school—we'll be in the office all summer and invite you to visit. Our campus is far enough up Slab Creek Road to be sunny on some of those inevitable fogbound days!

“FOLLOW UP” WITH YOUR PET!

There is always an increase in dog/pet waste as the weather gets nicer. To all you pet owners: We know it's a constant thing for you to have to “follow up” with your pet, but please carry an extra baggy on your walks and pickup after your pet, so we are not stepping in doo-doo! Thanks from your neighbors!

IT'S ALL ABOUT GOLF & FISHING

FEATURED MEMBER: DON GRABER

By Christi Clark

Notice a good-looking couple in a golf cart cruising through Neskowin every summer day about 1:30PM? That would be long-time residents Don and Carol Graber. Don has been coming to Neskowin to his family property on Yamhill Street since he was 4 months old ... and he is now a spry 75!

Don's grandparents Dolly and Joseph Graber owned Graber Bros Plumbing in Salem. As a kid, Joseph would ride his bicycle to Neskowin to go fishing, and when he got a car, he came down and camped in Neskowin. This early family love of Neskowin prompted Grandpa and Grandma Graber to buy a lot on Yamhill Street in Neskowin for \$150! Jeff Walton Sr.'s uncle helped with this transaction.

In September 1919 the present Graber house was built. All the lumber was from Tillamook and delivered by horse and wagon. In 1922 the adjoining lot was bought at a highly inflated price of \$250!

Joseph Sr. (grandfather), Joseph Jr. (father), and Kenneth (uncle), and Don spent every summer fishing, primarily in Slab Creek. Don remembers the last time that he fished with his grandfather was about 1958 when they fished the Little Nestucca and grandpa caught a 22" Blueback.

Don and his brother Bob grew up in Portland and went to Cleveland High School. Their dad drove a truck for Asbury Transportation for 41 years. Their family would stay at least six weeks of every summer in Neskowin. They would come for the 4th of July and go back to Portland to start school in the fall. Don has great memories of hanging out with the other Neskowin "kids" like Jeff Walton Sr., Paul Kelly, Susie Hodges, Sara Coit, Mary Ridings, and Johnny Ahrens, to name a few. All the kids enjoyed heading up to the Dance Hall in Pacific City for some Saturday night fun.

Don went to University of Portland. During his sophomore year he started dating a cutie named Carol. (Carol lived around the block from Don's family, they went to grade school together, but did not start dating until college years.) He graduated from UP and got his 2nd

Lt. commission for the United States Air Force at the same time.

Don and Carol have now been married 52 years! Both enjoy golf and Carol is an enthusiastic bridge player. Don said that he and Carol are very, very compatible and they think the same way. Sweet!

Don's 21 year career as a pilot with the Air Force took Don and Carol all over the world. During the Air Force years they were only in Neskowin a few times. In 1962 they moved to Okinawa, Japan. That worked well as their son, Jim, was only 4 months old and they had a full-time maid. From Japan they went to Laredo, Texas where Don was a flight instructor for T38s. Then on to Southern California for F4 training. During the Viet Nam war Don flew F4s in Thailand. Anchorage, Alaska and Austin, Texas were also home bases for the Graber's. Don retired in 1980 from a distinguished career in the Air Force. Thanks Don!

Don worked for 5 more years to put their son Jim through Oregon State University. Jim is a chemical engineer. The Graber's grandkids are Sarah (7 years) and Andrew (5 years).

At then at age 50 Don QUIT! He has been retired 25 happy years.

Don starts his season in Neskowin about March. He comes as much time as Carol "lets him". Carol transfers over to Neskowin June 15 and stays until October 15.

Summers are spent golfing once or twice a day, taking his boat out fishing, and visiting with long time friends. Don has also been known to build a shed or two in Neskowin.

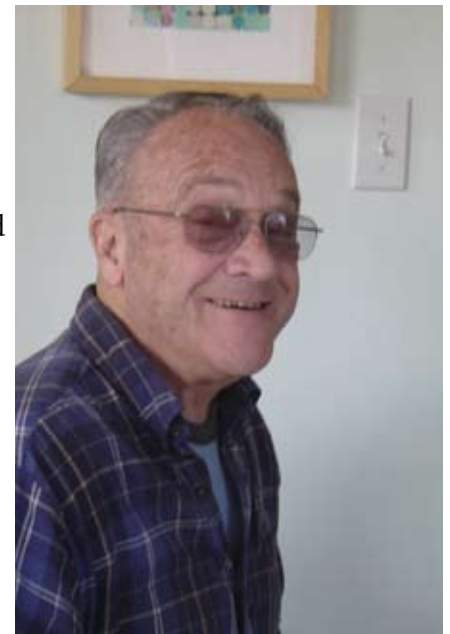

Don enjoyed his 7+ years supervising the Memorial Weekend Burn Pile, but was glad to pass the torch. One time, Jeff Walton Sr. said he was going to nominate Don to the NCA Board but Don replied, "If you do, I'll move to Lincoln City!"

Don is one of our Neskowin treasures and I am proud to be a friend of both he and Carol!

BOOKMOBILE By Nancy Nagel

It's hard to believe the new Tillamook County bookmobile is already a year old! This mobile library is driven and managed by Bruce Cooper, bringing hundreds of books representing dozens of genre to our Neskowin village doorstep each Friday. Arriving at 12:30PM, the one hour stay in Neskowin is the longest on the bookmobile's schedule ... surely due to the literary bent of our community?

Books...
at your
Service

For my own selections I like to go to the library's website, www.beachbooks.com, study the online catalog, and put books, CDs and DVDs on hold, then have the bookmobile bring them to town. The wait for some of the most popular books and DVDs can take months, but others can arrive in less than a week. And the county library system is continually adding new materials, with new best sellers often available shortly after release.

Sometimes when I check my library account online, I wonder why certain books are on hold under my name --- the title is unfamiliar, I have no idea who the author is, and I wonder how I could possibly have so many items on hold. Then I realize, Bruce has made some suggestions for me!

He and I like to talk about books and we talk about them almost every week. Hence, Bruce pays attention to what each client checks out, so he knows what his "regulars" enjoy. So ... he doesn't just make suggestions, he actually places his suggested books on hold on my account. And I for one love it!

WELCOME DAVE FALK TO THE NCA BOARD

Dave moved from Central Illinois to Neskowin in 2003 with his wife Marianna (RN at SNLH). It only took them a year of flying back and forth to find the right house. Dave loves the forest and Mari the ocean.

Dave retired from Archer Daniels Midland's Cogeneration plant as foreman after 23 years. He also served 6 years in the Army.

Together they have 5 sons and 3 grandchildren. As of 2 months ago, one of the married sons brought his wife and 4 month old son to Neskowin to live.

Dave keeps busy with hobbies of gardening, working with wood, and collecting antiques. Both Dave and Mari love the fall, winter, and spring the most ... when the beach is empty. They enjoy meeting and making friends with other families that call Neskowin home.

THANKS VOLUNTEERS!

The Wiitala Family recently re-painted the speed limit markings on the streets in Neskowin. Every year the Wiitalas donate their time and materials to refresh these important warning signs on our village streets. This is always done just in time for the summer crowds.

And Lyle Rowland is responsible for updating our Life Rings and setting them in place on our beaches.

Thanks! Your efforts are noticed and appreciated.
