

Neskowin Community Association

Neskowin Village Voice

July 2022

President's Message

by Robin Crowell, NCA Board President

Hello Neskowin Community!

All the rain has us wondering when the sun will arrive this season. It is nice and green, but I am ready to be warm.

The season began with a wonderful Memorial weekend -- albeit a wet one. It was fun to see everyone at our Trash 2 Treasures and Burn Pile aka Controlled Burn events. Thanks to Lauri Braich and Frank Schmidt and lots of wet volunteers and wet wood, and all of you, the community raised \$2200!

We had a great turnout at our community meeting. Thanks to all who attended in person or by Zoom.

The Emergency Egress is finished! The ribbon cutting ceremony was well attended, and a reception was held afterwards at the NBGC clubhouse. It is very exciting to have this important egress available in case of emergencies. Check it out-- bikes and walkers are welcome anytime. There are many to thank for their persistence, donations and patience. Truly a community effort. Thank you!

Check out our calendar of NCA summer events in this newsletter and at the NCA website. We look forward to seeing you at the farmers market, golf course and around the village.

As a popular song from the 70's said "Let the sunshine in"

--Robin Crowell, NCA President

NESKOWIN FARMER'S MARKET

By Silvia Friday

Visit the Market every Saturday, 9am-1pm, through October 1, 2022. We're located on the east side of Hwy 101 across from the Neskowin Beach Wayside featuring locally grown vegetables, berries & fruit, wood fired pizzas made to order, pasta, sandwiches, fresh Oregon coast fish, canned tuna, locally pastured meat and eggs, baked goods, artisan cheeses, locally roasted coffee beans, wild mushrooms, wine, beer and brandy, jams and preserves, pickles, Oregon hazelnuts, sea salt, handmade crafts, photography, and vegetable starts for your garden

We offer double-up food bucks for SNAP/EBT customers!

www.neskowinfarmersmarket.com

Sign Painting Fun

This year's sign painting was a fun and mostly dry event. Thanks to NBGC for use of the covered patio. Many thanks to Lynne Wintermute, Christi Clark and Patty Soens for organizing and managing this fun event. We raised \$670! A special thanks to Frank and Jeannie Ullrich who donated the wood panels, and Karl Barnes who prepared the panels for paint.

Neskowin University

By Lisa Miller, NCA Board Member

The Neskowin Community Association is excited to present three Neskowin U classes this year.

Flower Containers 101, June 25 at 3:00 pm at NBGC clubhouse.

Cost \$20

Have you walked around Neskowin and admired all the potted flowers? I know I have! Our first class will be taught by our very own flower specialist, Connie Leben. Connie will guide you in choosing flowers, designing and planting your container. Please bring your own container and gloves. We will supply the soil and flowers for you to create your beautiful flower container. Tuition for this class includes a beverage. If you forget to bring a container, we will have a couple spare containers on hand for purchase at additional cost. Sign up early. Limited spaces available.

Pilates Saturday, July 23 at 10am at the NBGC clubhouse.

Cost \$10

What is Pilates you might ask? This question will launch a discussion and exploration of the Pilates method with movement specialist Jill Spangler. Picture the human body as a suspension bridge. Time, outside forces, and damage (injury) adversely affect the bridge's components. Some of the support cables may shorten for example, while opposing cables will lengthen and create a less efficient and sound structure. Without proper care and maintenance, the bridge will weaken and perhaps fail. During the class we will explore this concept and gain insight into how movement practice can help bring our internal suspension bridge into a more balanced state. Standing and seated alignment will be explored as well as supine, prone, and side lying positions. This is a beginning level class and individual exercise modifications will be given as needed. Please wear comfortable, elastic-waist bottoms and tops without buttons, zippers or adornments (think comfy pajamas or yoga attire). Bring a hand towel and yoga mat.

Tsunami Planning / Go Bags, Date to be determined.

This class is free.

Knowledgeable team members from the South Tillamook Emergency Volunteer Corps will share with Tsunami Safety and the importance of having a plan and Go Bag. They will offer Go Bags for sale the day of the class. Please keep an eye on the NCA website for the date of this informative class.

Proceeds go to the NCA.

Questions? Willing to volunteer to present or plan a Neskowin U class? Please contact Lisa Miller at lmiller1912@gmail.com. Please include **Neskowin U** in the subject line of your message.

Thank you, Best Wishes to Jean Cameron

Jean Cameron has been an active member of the Neskowin community for more than two decades. She's served on the Water District Board, and for many years was its President. She's chaired the Neskowin Citizens Advisory Committee. She's an active member of the South Tillamook County Emergency Volunteer Corps. Jean is moving to Eugene soon. She will be missed. Our thanks to Jean for her many contributions to the Neskowin community. We wish her all the best.

Neskowin's Emergency Egress Completed

By Guy Sievert, President, Nestucca, Neskowin, Sand Lake Watersheds Council

On Tuesday, May 24, Tillamook County Public Works and the Nestucca, Neskowin, Sand Lake Watersheds Council hosted a ribbon cutting for the Neskowin Emergency Egress. Speakers included County Commissioners Erin Skaar and David Yamamoto, State Representative David Gomberg, former county commissioner Mark Labhart, and County Public Works Director Chris Laity. Ran Koch and Robin Crowell spoke briefly on behalf of the Neskowin CAC and NCA respectively.

As part of the ceremony, several people and agencies were recognized for their contributions to getting this project done. A list of donors is posted on the south gate, which includes a community fundraiser that contributed \$100,000. The Walton family of Neskowin was recognized for donating the land for the road and Chuck Carlbon was remembered for his early persistence in getting the road built.

The process that led to the construction of the emergency egress was a long one. In 2009, at the request of the Neskowin CAC, a committee was formed, chaired by then County Commissioner Mark Labhart, consisting of experts on coastal hazards and local community members with the charge to help Neskowin be more resilient to coastal hazards. One result of that work was the recommendation to locate and build a second access to the village, one that meets current 100-year flood standards and one that is not threatened by a failure of the Salem Street Bridge. The site of the new access was identified as the best option. After a land donation by the Walton family and successful negotiations with Oregon State Parks for access to the Wayside, construction planning began.

The permitting and engineering challenges presented by road construction through a wetland, adjacent to a federal refuge, and across two creeks with critical fish passages for endangered salmon, were significant. Thanks to a persistent effort from County Public Works and the cooperation of various federal and state agencies, planning was completed. Construction began last fall and is now complete!

The emergency access is built to a 100-year flood protection level and includes three major fish passage bridges and culverts that provide access for endangered salmon. Its primary purpose is to provide a second access to and from the village in case of disruption at the Salem Street Bridge. When not in use for emergencies it may be used by pedestrians and bicyclists.

Emergency Egress Ribbon-cutting by Robin Crowell is applauded by (right to left) County Commissioners Erin Skaar and David Yamamoto, State Rep. David Gomberg, NCA President Robin Crowell, former County Commissioner Mark Lambert and NCAC Vice Chair Ran Koch.

SUMMER CALENDAR OF EVENTS

<u>June 25</u>		Neskowin U Class – Flower Containers 101 – 3:00 pm at NBGC Clubhouse
<u>July 4</u>	9:00 am	Walkabout organized and hosted by the Walton family*
	10:30 am	Air Force flyover
	2:00-4:00 pm	Kites and Castles on the beach hosted by the Meyers family*
	10:00 pm	Professional fireworks show organized and hosted by Lucas Parelius*
		*Editor's Note: These are not NCA-sponsored events.
<u>July 23</u>	10:00 am	Neskowin U Class – Pilates – at NBGC clubhouse
<u>July 29-31</u>		NCA - Tournament Weekend and Golf Scramble
<u>Sept 3</u>	4:00 pm	NCA - Community Meeting

Call for Donations – 2022 Tournament Weekend – We Need Your Help

Cathleen Callahan, Tournament Weekend Committee Member

Every year the Neskowin Community Association organizes our biggest fundraising event- a three-day weekend of fun anchored by our golf scramble, and including bocci and cornhole competitions, raffles, the wall of wine, and our silent and live auctions.

NCA uses the funds we raise to benefit our community and the greater coastal community. NCA grant recipients include the Neskowin Valley School, the Nestucca Valley Backpack program, the South Tillamook County Emergency Volunteer Corps, Nestucca Fire & Rescue, and the Neskowin Farmer's Market. We have provided grant funds for projects in and around the village, including improvements at the Neskowin Beach Golf Course clubhouse including the recently-added patio cover, improvements of beach access points and the tsunami trail bridge, and the recently-completed emergency egress.

NCA's primary fundraising during our Tournament Weekend comes from the Raffle, Wall of Wine, Silent Auction and Oral Auction. We rely on donations to be successful. Here's how you can help:

- **Raffle Donations:** Is it time to part with that old glass float gathering dust on your shelf? Or how about that cookie jar shaped like a fish or a seagull? We have a place for it! The raffle will be held Friday, July 29, the first day of our three-day tournament fundraiser weekend. We need your unique items to display in connection with sale of raffle tickets to those who would love to give your donated items a new home.
- **Wall of Wine:** Drop off a nice bottle of wine at the NBGC clubhouse (value should be \$10 or more). We will wrap it up and sell it during the Wall of Wine event.
- **Silent Auction:** Items and baskets will be on display and available for bidding throughout the weekend. What can you donate? How about movie night, golfing items, day at the beach, food goodies, pet supply basket, craft basket, barbecue kit, spa day basket. You can gather and donate the items and we'll put them together for you. Gift certificates for golf, restaurants and local businesses and services that can tucked into the baskets are always appreciated.
- **Oral Auction:** Our live auction on Sunday afternoon will feature items created by our talented friends and neighbors. Last year there was fierce bidding for paintings, wood bowls, framed photographs, furniture, a quilt, sign, vacations and more. If you have created a treasure you'd like to share, we would be grateful for your contribution.

Please help make this year's NCA tournament weekend fundraiser a huge success. Get your donations to us by Monday, July 25 by dropping them off at the NBGC clubhouse or contacting Cathleen Callahan 541-499-1585, cacallahan26@gmail.com, or Lauri Braich 541-390-2701, tbraich@bendbroadband.com, to arrange for pickup of your donated items.

Thank you for helping us make the NCA 2022 Tournament Weekend a success!

Scotch Broom -Neskowin has been invaded!

By Connie Leben, NCA Board Member

Lurking in the soil, brandishing in open spaces, hiding in plain sight. Scotch broom, also known as Scot's broom, is a noxious, invasive weed that costs Oregon \$40 million per year in lost timber revenue and control efforts. Its oil fuels fires -- especially along highways, in power line corridors, and dry forests.

Seed pods from Scotch broom dry out, twist and pop open, dispersing up to 12,000 seeds a year that can survive up to 30 years in the soil, waiting for soil disturbance to stimulate growth. Plants can grow from crowns after clipping, frost or fire. Prevention is important. Growth of Scotch broom is slowed by revegetating disturbed areas with fast-growing native trees, shrubs, and native grass mixes.

If you find Scotch broom, the OSU extension recommends:

- Dig it up, including the crown.
- Cut it back to the ground below the crown each year before it sets seeds. Dispose in garbage.
- Keep an eye out for seedlings each spring. Pull them up, roots and all, while they are still small.
- Herbicides are ineffective when Scotch broom is in bloom. Avoid herbicide use near native plants, creeks, runoff areas and other waterways. We all can slow the invaders!

NCA Tournament Weekend of Fundraising July 29-31 • Schedule of Events

By Susan Linman, NCA Board Member and Tournament Committee Chair

Mark your calendar for the last weekend in July when the Neskowin Community Association will host its 2022 Tournament Weekend. Sign up for our annual Golf Scramble. Not a golfer? Join us for bocci, cornhole, and more fun activities for everyone in the community! This is the NCA's primary fundraising activity. Please join us! Everyone is invited!

Friday, July 29

- 8:00 am When the Clubhouse opens, bidding begins on a fabulous assortment of Silent Auction items
- 4:00 pm Ticket sales begin for the biggest and best raffle ever
The "Wall of Wine" opens
Bring a dish to share at our potluck dinner.
Enjoy complimentary wine, beer and water
- 5:30 pm Potluck dinner
Music by The Perry Gerber Band, back by popular demand
Raffle tickets will be drawn during breaks between music sets and after the show.

Saturday, July 30

- 7:30-11:30 am Golf Scramble tee-offs (tee times will be posted Friday night)
- 2:00 pm Golf Skills Contest*
- 3:00 pm Bocce Tournament *
- 4:00 pm Corn Hole Tournament*
- *Donation of \$10 is recommended for each entry in the golf skills, bocce and corn hole events. Donations will be collected onsite at the event. Prizes will be awarded to winning bocce and corn hole teams.
Dinner option will be available for purchase until 7:00 pm.

Sunday, July 31

- 7:30-11:30 am Golf Scramble (same schedule as Saturday)
- 1:30 pm Catered Lunch

After lunch, the Golf Scramble Awards and Golf Skills Awards will be presented, followed by announcement of the Silent Auction Winners and our Oral Auction of art pieces and other treasures created by your Neskowin Friends and Neighbors.

To sign up for the golf scramble, you can obtain entry forms at the Clubhouse or online neskowinbeachgolf.com and neskowincommunity.org. We will be offering 5 team divisions in the Scramble: Men's, Women's, Mixed, Senior (70 and older), Youth (under 18). Players can play on 2 teams in different divisions (with a fee for each team).

If you have questions, please contact Susan Linman (susanlinman@gmail.com or 503-703-5330)

Burn Pile

By Frank Schmidt, NCA Board Member

The 'Burn Pile', or as I now call it the 'Controlled Burn,' went off without a hitch on Saturday, May 28th in spite of the rain. The weather made this one of the wettest in the history of the event. Thank you, again, to all the people who made this possible. Our fireside workers were Tim, Norse, and Frank. Our drivers picking up were Steve, Mike, Tyler, Joe, Alex, Patti, Brin and others who braved the elements and the mud. A special thanks to John Wittala for the equipment to make it all happen in the driving rain. It always amazes me how many people it takes to accomplish an event like this, and every effort is greatly appreciated. It takes months to organize everything -- from obtaining the fire permit to arranging with Derrick to make sure the gate is unlocked for our Friday setup. Thank you for the wonderful lunches provided by the Linmans.

Each year is up in the air, until the weather is known and is acceptable for a Controlled Burn. For anyone who's interested in helping out next year, please put it on your calendar for next Memorial Day weekend. All are welcome to participate. Next year we will plan on preparing the site on the day before the event, and we hope more people take advantage of this opportunity. We'd like to see less Scot's broom around the Village and more in the Burn Pile.

Thank you again to all who participated.

Trash 2 Treasures

By Lauri Braich

It was wet and wild for Trash 2 Treasures. And still very successful and fun. A big thank you to Nestucca Valley Sanitary Service and Tillamook County Garbage and Recycling for sponsoring this year's event. The Neskowin community really appreciates your support. We could not have held this event without all the volunteers who helped with canopies, trucks, tables, the sellers, collectors, dropper-offers, picker-uppers, shoppers, lunch-makers, Goodwill donators, dumpster-divers, metal recyclers, pickers, apron wearers, you name it. In spite of the pouring rain, T2T and the Burn Pile aka Controlled Burn raised over \$2,200. It was a successful day in so many ways.

Thanks to everyone who participated.

Lynn Wintermute hams it up with a Treasure at Trash to Treasure event.

FIREWORKS SHOWS SCHEDULED ON JULY 4

Fireworks in Neskowin organized by Lucas Parelius.*

Time: 10pm

Location: In front of Proposal Rock

Lucas Parelius has obtained a permit for a fireworks show in Neskowin. He is seeking donations towards the cost of this year's show and for future years. If you have questions or wish to donate, please contact Lucas via text at (408) 786-7467 or email at lparelius93@gmail.com. Lucas will accept Venmo, credit card payments via Square, checks (contact Lucas for address), and cash (you may see donation jars at businesses around the village.)

Fireworks in Pacific City sponsored by the Pacific City-Nestucca Valley Chamber of Commerce*

Time: Dusk

Location: Bob Straub Park in Pacific City

*Editor's Note: These are not NCA events.

NBGC SUMMER UPDATE

Missy Moss, NBGC Clubhouse Manager and NCA Board Member

The Neskowin Beach Golf Course welcomes drier and warmer weather. The Rain Gods got us good this spring. As it continues to dry out, Sean and his team are out on the course preparing for when it's ready to open. We do not have an opening date yet – stay tuned.

In the meantime, the clubhouse is open as a social gathering place for those who are looking to see their friends and catch up! NBGC hosted a Memorial Day weekend event and even given the rains, we had more than 100 people come enjoy music and a taco bar in our new tent. Thank you Neskowin Trading Company for the great food! The tent already has proven to be a great addition – thank you to the NCA. Inside the clubhouse you will see we have refreshed the space, added new merchandise, and created a nice seating area. Stop in for a beverage and see what we've done.

We are planning a busy activity schedule this season. Recurring events are as follows:

- Scramble Tuesdays at 4:30 pm. Buy-in: \$3. Everyone welcome
- Beach Yoga with Dawn Wednesdays at 9 am. Meet on beach at Mt. Angel access. Cost: \$10. All levels welcome
- Wine Down Wednesdays 4-6 pm, \$2 off wine bottles
- Ladies Golf Thursdays at 10am. Tentative start date June 30. All levels welcome
- Beach Yoga with Dawn Fridays at 10:30 am. Meet on beach at Mt. Angel access. Cost: \$10. All levels welcome
- NEW! Youth Games (Ages 8-18), Thursdays 2-4 pm. Different activities each week. Cost: \$ 10.
- NEW! Friday Friendly 4-6pm – Come meet Fast Friends.

In addition to the above recurring activities, we will have special events on the weekends. Let's kick off the Fourth of July weekend together. On Friday, July 1, NBGC is "Going Country". We have lined up music, line dancing and Hearth & Table's mobile pizza oven. Bring your cowboy boots and hats. Let's kick up this town!!! For more information regarding weekend events, check our website www.neskowinbeachgolf.com and Facebook <https://www.facebook.com/neskowinbeachgolfcourse>

If you have not registered for the NBGC Youth Golf camp, contact Missy at missy.nbgc@gmail.com to confirm your spot. You never know -- we might have a PGA or LPGA pro in the making!!

Thank you to all those members who have sent in their membership annual dues and contributed to retiring the debt. If you haven't sent in your forms, you can drop them off in person at the Clubhouse or mail to: NBGC PO Box 1005 Neskowin OR 97149. With your help, we are even closer to retiring the debt this year. This community has brought NBGC back to life and we look forward to having NBGC remain our "Jewel".

We look forward to a fun-filled summer. Questions? Contact Clubhouse Manager Missy Moss at missy.nbgc@gmail.com or 503-392-3377

Fireworks

Legal fireworks in Oregon don't explode, shoot into the sky, or float in the air. If you purchased fireworks in another state, they're probably not legal here. County fire and state law enforcement officials are working with the Neskowin community to increase enforcement against offenders who use illegal fireworks in the village and on our beaches. Injuries and property damage from fires caused by illegal fireworks and floating lanterns are common. Please leave the illegal stuff at home this year and enjoy the professional show. Thanks in advance from terrified pets, native land and marine animals and your neighbors, especially those who clean up the charred debris that hasn't washed out to sea with the tide.

South Tillamook County Emergency Volunteer Corps (STCEVC)

By Marge Jozsa, President, Board of Directors

www.southtillamookcountyevc.org

Are you seeking emergency preparedness materials? Wondering how to get a “go bag?” Needing information about a handheld radio? Trying to figure out how to protect your home from wildfires? If so, be sure to visit the South Tillamook County Emergency Volunteers Corps table this summer at various local events and get all the information you need to be prepared and resilient.

Come See Us at Any of the Following Events!

Neskowin Farmers’ Market

Saturday, August 6

Saturday, August 13

Saturday, September 10

Clover’s Day

Saturday, July 2

Neskowin Walk About

Monday, July 4

Dory Days

Kiawanda Community Center, Saturday, July 16

Emergency Preparedness Fair

Saturday, September 24, 9 am – 3 pm, Hebo Fire Station

CERT Basic Training Class

Fall Class – September 27 – November 5. Hybrid class: Zoom and in-person. More information will be posted on our website soon.

Wildfire Information

Oregon has an evacuation notification system:

Level One, coded green, means BE READY to evacuate. Older adults, families with children, people with disabilities, livestock and pet owners, and those with limited access to transportation should consider evacuating at Level One.

Level Two, coded yellow, means BE SET to evacuate. There is significant danger in the area and people should be ready to leave at a moment’s notice. Voluntary evacuation at Level Two is recommended, especially if people need extra time or have livestock.

Level Three, coded red, means GO NOW – Leave Immediately! Level three indicates there is extreme danger in the area and remaining threatens the safety of individuals as well as emergency responders, who may not be available to help those who choose to stay. Do not stop to gather belongings or protect the home. Now is the time to act. Grab your go bag and go.

The Oregon Office of Emergency Management urges Oregonians to evacuate any time they feel unsafe, as conditions can change rapidly. Individuals should always make the best decision for their safety. Following an evacuation, people should not return to the area until public safety officials announce it is safe. For more information on wildfires go to: wildfire.oregon.gov.

Have a wonderful and safe summer!

Safe Use of Golf Carts

Golf carts are permitted on the roads in Neskowin for travel to and from the golf course. Operation of golf carts by children and unlicensed drivers is illegal, and exposes cart owners to liability for resulting damages and injuries. Please be responsible and respectful to your neighbors by keeping your kids and grandkids out of the driver’s seat.

Neskowin Valley School is looking ahead to a fun-filled summer!

By Emily Bailey (she, her)

NVS Summer Day Camp
June 27- August 4

Join us for imaginative, exploratory, and educational experiences all summer long! NVS Summer Day Camp is open to all students entering K-8th. Enjoy fun themed programming and field trips from 9:00 am - 3:00 pm Monday through Thursday (lunch and snacks provided). Visit neskowinvalleyschool.com/nvs-summer-day-camp to for more information and to register. We hope to see you there!

Neskowin Valley School Open House! June 30,
12pm-2pm
Enrollment for the 2022-2023 school year is open and we are elated to announce the reopening of our NVS PreKindergarten program this fall! Join us at NVS on June 30th to learn more about our programs, tour the school, and meet the staff. Please visit our website or call 503-392-3124 for more information about the unique educational experience at NVS.

Visit NVS at the Farmer's Market June 25, July
16, & July 30
Come visit Neskowin Valley School's booth at the Neskowin Farmers Market this summer. Learn more about our programs, ask questions, and partake in a fun, hands on activity!

Neskowin Citizen Advisory Update

By Ran Koch, NCAC Chair

The Neskowin Citizen Advisory Committee (NCAC), a function of the Tillamook County Planning Department which provides a voice for our unincorporated community on Land Use Planning issues, has been active this spring.

Continuing efforts to address the community's concerns about how to best manage Short Term Rental (STR) activities in our neighborhoods, the NCAC created a Sub Committee composed of members of the community from different perspectives. Owners of a business, full time residents, STR owners, part-time residents, the Sub Committee developed a survey and over 400 Neskowin folks participated in the survey.

Results are still being processed by the group and there will be a public meeting in late June to share more results of the survey and provide what people think are issue and values related to STR's. For updates please visit neskowincac.org.

Neskowin is also in the process of revising its Community Plan which is what the County Planning Dept. and Commissioners refer to when making Land Use decisions in our community. The 1999-2000 Community Plan is our current functioning Community Plan until the revisions are completed and approved by the County.

Over the past year the NCAC has held monthly Informational Town Halls (ITH's) to inform folks about the State Planning Goals, Firewise practices, Acquisition of the Neskowin Watershed for safe and dependable drinking water, and those recorded ITH's are available on the website for your review and education. Please visit neskowincac.org.

A survey of all property owners, residents and business owners will be distributed this fall for initial responses to help guide revisions. Public Meetings and exact revisions will follow as we work together to create the revised Plan.

The NCAC also works with the NCA (Neskowin Community Association) to address safety concerns for Neskowin, and will soon be addressing safety concerns on Hwy 101 with Oregon Dept. of Transportation for a crosswalk, possibly a periodic blinking light and signage to slow traffic coming both north to south and south to north, especially during Farmers Market hours.

Garbage Containers at Mt Angel and Carlton – No Household Trash or Waste

In response to the increasing numbers of day trippers and beach visitors, the Neskowin Community Association arranged for garbage containers at the beach access points on Carlton and Mt. Angel during the summer season. These garbage containers are intended for beach trash and debris that otherwise might be left on the beach, or scattered around the village, or piled up at the wayside.

NCA's agreement with Nestucca Valley Sanitary Service specifies these garbage cans are not to be used for household trash and waste. Neskowin homes, whether owner-occupied or short-term rentals, must provide for their own trash removal.

The service provider recently notified NCA that household garbage, empty plastic plant containers and other household waste has been found in the containers at Mt. Angel and Carlton.

Please respect our agreement with the service provider and stop placing your household garbage in these containers. Thank you.

Neskowin Community Association

PO Box 820 Neskowin, OR 97149
